

Parent/Guardian Covid-19 Screening Checklist - Chelmsford Public Schools

Every morning before you send your child to school, please check the following:

1. Does your child have a fever greater than **100.0** degrees and/or is experiencing any signs of illness* such as:

Fever 100.0 degrees or higher,
muscle aches or chills

Cough
(not due to other known cause, such as chronic cough, seasonal allergies)

Shortness of breath
or difficulty breathing

New loss of taste
or smell

Sore throat

Nausea, vomiting, or
diarrhea *(new onset)*

Fatigue *(when in combination with other symptoms)*

Headache *(when in combination with other symptoms)*

Congestion or runny nose *(not due to other known cause, such as seasonal allergies)*

2. Was your child in close contact (within 6 feet for more than 15 minutes) with anyone confirmed with Covid-19 within the last two weeks?

If the answer is YES to any of the questions DO NOT send your student to school. Stay home and contact your healthcare provider.

* Please note any student that develops any of the above symptoms during the school day will have a parent/guardian contacted immediately and will be dismissed with instructions to follow up with a healthcare provider.

* If your student has a medical condition that may mimic symptoms of Covid-19 please work with your healthcare provider to obtain documentation for the school health office.
