

Staying After School for Activities, Extra Help, Rehearsals etc.

Please refer to the **After-School Activities Booklet** online to decide which activities you may be interested in. This booklet lists all activities, days of the week, locations and the club advisors.

With this booklet, the late bus routes will be included. Late buses leave the middle schools after activities from approximately 3:45-4:05pm. Please note, the late bus routes are different buses/routes than the regular bus routes. It is important that parents and children review the late bus routes together to determine what bus and stop is best.

All students not taking the late bus need to be picked up at 3:45. Pick up will be at the gym/cafeteria doors.

An activity fee is required to participate at the time of sign up with this completed form. Once issued your Activity Card please bring it with you each time you attend an activity.

STAYING AFTER SCHOOL? What to do...

If you stay after school for activities, extra help, make-up, or detention, report directly to your assigned room. Upon completion of the activity at 3:45, you must report immediately to the cafeteria/gym doors for pick up or the main lobby for late buses.

You are not allowed to remain in the building unless you are involved in a designated supervised activity. You are not allowed to stay after school to socialize. You are not allowed to leave the building/ school grounds and then return to school to take the late bus.

Students who violate behavior expectations during after school activities or on the late bus may be excluded from participating in after school events. Any student who loses the privilege to participate in any of the previous, will not be reimbursed for monies already paid.
